

### Internal Quality Assurance Cell

#### DVV Clarifications

#### 3.2.2 Number of workshops/seminars/conferences including on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship conducted during the last five years

##### Findings of DVV

HEI input changed as per proofs provided. All activities including Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship are considered here. Programs during last five years only are considered.

##### Response of HEI

All activities including Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship are considered here. Programs during last five years only are considered. As suggested by DVV, year 2022-23 showing 0 input, HEI has submitted data and proof for 13 No. of workshops/seminars/conference conducted year wise. year 2021-22 showing 02 input, HEI has submitted data and proof for 06 No. of workshops/seminars/conference conducted year wise. Year 2020-21 showing 01 input, HEI has submitted data and proof for 02 No. of workshops/seminars/conference conducted year wise. Year 2019-20 showing 0 input, HEI has submitted data and proof for 01 No. of workshops/seminars/conference conducted year wise.

Session	No. of workshops/seminars/conference conducted	DVV suggested Input.	HEI change input No. of workshops/seminars/conference conducted year wise
2022-23	12	00	13
2021-22	07	02	06

## Teaching Technical English

**OCTOBER 14, 2023**

**Time: 11:00 am onwards**

**Speaker**

**Dr. ARVIND KUMAR SUNIL**  
 Professor & Head  
 Department of English  
 Gaya College, Gaya - Bihar

*Organized by*

Department of Applied Science  
 SITYOG Institute of Technology,  
 Aurangabad- Bihar

### About the Institute

**SITYOG Institute of Technology** is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

### Introduction:

Technical English provides English language, instruction for students who are following technical and vocational education. It is considered as language of business technology and innovation also.

### Who can attend?

Eligible Courses – For Graduation & Diploma Students.  
 Eligible Branches – Electrical, Computer Science, civil and Mechanical for B. Tech students (From 1st to 8th Semester). For diploma, (From 1st to 6th Semester).

### Mission

The objectives of the Seminar are to understand:

- **Accessibility.** It makes information available to a global audience.
- **Compliance.** It ensures adherence to international laws and regulations.
- **Market Penetration.** It facilitates entry into new markets by overcoming language barriers.
- **Customer Satisfaction.** It provides clients fully understand the products and services they are buying.
- **Clear structure, higher repetitio**

- Lower translation costs due to increased suitability for computer-assisted translation tools
- Better understanding of documentation by non-native English speakers
- Lower risk of mistakes and error
- Increased safety

To,

**Dr. Arvind Kumar Sunil**  
**Professor & Head,**  
**Department of English,**  
**Gaya College, Gaya- Bihar.**

Dear Sir,

I hope this message finds you well. I wanted to express my heartfelt appreciation for the EXPERT LECTURE you delivered on **TEACHING TECHNICAL ENGLISH** on **14<sup>th</sup> day of October 2023**. Your insightful and informative presentation left a lasting impact on both the faculty and students at our institution.

Your expertise in the field of technical English was evident throughout your lecture, and your ability to communicate complex ideas in a clear and understandable manner was truly impressive. The way you emphasized the importance of clear communication in the technical field and shared best practices for improving our teaching methods will undoubtedly benefit our students as they progress in their academic and professional careers.

We are grateful for your willingness to share your knowledge and experience with our institution. Your dedication to improving technical education through effective language instruction is commendable, and we look forward to any future opportunities to collaborate with you.

Once again, thank you for your exceptional lecture. We are fortunate to have had the opportunity to learn from an expert like you.

Sincerely,

Dr. Rajesh Kumar Singh  
Secretary

### **About the Institute**

**SITYOG Institute of Technology** is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

### **Introduction:**

Highway engineering is an engineering discipline branching from civil engineering that involves the planning, design, construction, operation, and maintenance of roads, bridges, and tunnels to ensure safe and effective transportation of people and goods. The book Highway Engineering includes the main topics and the basic principles of highway engineering and provides the full scope of current information necessary for effective and cost-conscious contemporary highway..

### **Who can attend?**

Eligible Courses - For Graduation & Diploma Students.  
Eligible Branches - Civil Engineering, (From 1st to 8th Semester) For B.Tech students.. For diploma, (From 1st to 6th Semester)

### **Mission**

The objectives of the Seminar are:

- To introduce the basic concepts and understanding the importance of Road construction.
- To encourage in research work of experts with the target audience including UG/ PG students and faculty members to put forth its relevance in field of engineering.
- To give environment wherein experts will share ideas about current trends and Application of road construction in

- Specific fields to bring awareness for research and academic progress.

### About the Institute

SITYOG Institute of Technology is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

### Introduction:

Power plant engineering is one of the techniques of art that we can study, use, repair, preserve, operate and place in the machines and equipment of the power plant. Power Plant Engineering also discusses power generation, transmission, distribution, and its use.

### Who can attend?

Eligible Courses - For Graduation & Diploma Students.  
Eligible Branches - Electrical and Mechanical For B.Tech students (From 1st to 8th Semester). For diploma, (From 1st to 6th Semester).

### Mission

The objectives of the Seminar are to understand

- First Law of Thermodynamics
- Second law of thermodynamics
- Types of power plants.

Power plant operation and maintenance consists of optimizing the efficiency and power output of power plants and ensuring long term operation.

## **TWO DAYS ONLINE WORKSHOP**

**On**  
**Data Science using Python**  
**Program**

**From**

**Sept 14, 2023**

**To**

**Sept 15, 2023**

**Time: 12:00 PM – 01:00 PM**

*Seminar conducted by*

**Speaker**

**Dr. Rakesh Roshan**

Assistant Professor  
Department of Computer Science  
Anurag University, Hyderabad

**Organized By**  
**Department of Computer Science and**  
**Engineering**

### **Introduction:**

Data science is the study of data to find insights that can help businesses make decisions. It's a multidisciplinary field that combines mathematics, statistics, artificial intelligence, and computer engineering. Data science uses scientific methods, processes, algorithms, and systems to extract knowledge from structured and unstructured data.

This data science with Python tutorial will help you learn the basics of Python along with different steps of data science according to the need of 2023 such as data preprocessing, data visualization, statistics, making machine learning models, and much more with the help of detailed and well-explained examples.

### **Who can attend?**

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches – Computer Science, Mechanical, Electrical, Electronics, Electrical & Electronics, Civil & Others. (B.Tech All Semesters), Diploma and BCA (Semester 1 to 6).

### **Mission**

To create an holistic approach to a higher Quality of Life through multi-faceted tools of PYTHON for DATA SCIENCE with ONE PHILOSOPHY. To achieve this in the shortest time frame by practicing an 'inclusive philosophy', which would attract the 'World's Best Minds' to gravitate towards this 'Centre of Global Excellence', with a view to achieving this momentous dream!

We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

### Introduction:

The administration of a business includes the performance or management of business operations and decision-making, as well as the efficient organization of people and other resources to direct activities towards common goals and objectives. In general, “administration” refers to the broader management function, including the associated finance, personnel and MIS services.

### Who can attend?

**All Faculty Members & Staff**

Eligible Branches – All Branches (B.Tech / Diploma / BBA / BCA / BA / J&MC)

### Mission

The objectives of the Seminar are:

- Empower Indians to achieve their life goals through the prudent and informed management of their financial resources.
- Help instil in all Indians the commitment to save toward the realization of their financial goals and their future financial security.
- Assist consumers in understanding and actively participating in the management of their investments.
- Better prepare all Indians for their retirement years.

Subject: Invitation letter as an Eminent Speaker for one day online seminar on Topic- Application of Power Electronics in Modern Era on 12<sup>th</sup> day of September 2023.

Dear Sir,

I hope this letter finds you in good health and high spirits. It is with great pleasure and anticipation that I write to extend an invitation to you as our esteemed guest speaker for a **one-day seminar** on the occasion of our 13<sup>th</sup> **Foundation Day**, this year we are celebrating "**Academic Excellence Week**" which is scheduled to take place from 12<sup>th</sup> day of September 2023 to 15<sup>th</sup> day of September 2023.

Our organization is proud to celebrate **13 years** of excellence and service to the community. To mark this momentous occasion, we are organizing a special week "**Academic Excellence Week**" aimed at bringing together thought leaders, experts, and professionals from various fields to engage in meaningful discussions and knowledge sharing.

We have been following your outstanding work and contributions in the field and we believe that your insights and expertise would greatly enrich our seminar and inspire our audience.

Thanking You.

Regards,

### **Introduction:**

Bihar is progressing fast on the track of development, with unremitting efforts being made towards strengthening infrastructure and promoting industrial growth. The government of Bihar is committed to improve competitiveness of the state's economy and achieving inclusive growth. Start-ups and Innovation plays a key role in economic growth. This can be realized by promoting innovation and creating an ecosystem that nurtures start-ups from concept to commissioning. Apart from creating jobs, start-ups focus on innovation to create next gen solutions which bring economic dynamism.

### **Who can attend?**

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others. (From 1st to 6th Semester). For diploma, (From 1st to 8th Semester) For B.Tech students.

### **Mission**

Support startups by seed funding as well as matching grants to increase their viability  
Facilitate Entrepreneurship Development Centers and Entrepreneurship Facilitation Centers to increase awareness and promote entrepreneurship amongst the youth.  
Encourage Entrepreneurship through education by introducing learning modules in the University/ Schools, MOOC (Massive Open Online Courses), internships amongst others.  
Facilitate development of new and support expansion of existing Incubators/common infrastructure spaces/Coworking spaces.

Enable hassle-free and time bound statutory clearances for startups.

Provide appropriate institutional support to enable the nurturing of startups including mentoring, hand-holding and training/orientation visits.

**SITYOG Institute of Technology** is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

## Introduction:

Nanotechnology is very specific and highly specialized fields having multi-disciplinary applications like applied science, mechanical, electrical, thermal, material science, space, medicine, automation, civil, etc. It has strong socio-economic relevance to provide novel solution for improved results in all domains.

## Who can attend?

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others. (From 1st to 6th Semester). For diploma, (From 1st to 8th Semester) For B.Tech students.

## Mission

The objectives of the Seminar are:

- To introduce the basic concepts and understanding the importance and relevance of Nanotechnology in today's world of engineering as well as medical science
- To encourage interaction of experts with the target audience including UG/ PG students and faculty members to put forth its relevance in field of engineering.
- To give environment wherein experts will share ideas about current trends and interest fields of nanotechnology in specific fields to bring awareness for research and academic progress and
- To give exposure to current status of research in Nanoscience &

nanotechnology. Mentoring, hand-holding and training/orientation visits.

This seminar aims to bring together experts, professional and enthusiasts in nanotech and nanoscience field to discuss the latest advancement and future prospectus.

#### Event Detail

- Date : 16<sup>th</sup> July 2023
- Time : 01:00 PM to 04:00 PM
- Venue :  
Sityog Institute of Technology, Aurangabad, Bihar

Duration : 04 Hours

We are delighted to extend an invitation to you to attend an engaging and informative seminar on **Functional Engineering Nano Materials and its Application from Engineering to Nanomedicines** dated 16<sup>th</sup> July

2023. This seminar aims to bring together experts, professional and enthusiasts in nanotech and nanoscience field to discuss the latest advancement and future prospectus.

#### Event Detail

- Date : 16<sup>th</sup> July 2023
- Time : 01:00 PM to 04:00 PM
- Venue :  
Sityog Institute of Technology, Aurangabad, Bihar

Duration : 04 Hours

## About the Institute

SITYOG Institute of Technology is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

## Expert Talk

On

## Petroleum and Explosives Safety Program

*Motto – "Safety First"*

**JULY 12, 2023**

**Speaker**

**Sri Shivchandra D Mishra**

Controller of Explosives, Petroleum and  
Explosives safety organization

## Introduction:

The Petroleum & Explosives safety organization ((PESO), formerly known as Department of Explosives has been serving the nation as a nodal agency for requesting safety of hazardous substances such as explosives, compressed gases and petroleum.

## Who can attend?

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others. (From 1st to 6th Semester).  
For diploma, (From 1st to 8th Semester) For B.Tech students.

## Mission

The objectives of the Seminar are:

- To introduce regulations and standards of PESO related to the storage, handling and usage of petroleum, petroleum products and explosives to prevent accidents and protect accidents
- To create safety awareness amongst the public about explosives.
- To give environment wherein expert will share ideas about current trends and interest fields of Petroleum & explosive safety program.

Aurangabad- Bihar- INDIA

**Introduction:**

Industries Helping Hands is India's trusted one-stop solution that connects companies, colleges, and candidates. We are building the community to revolutionize the Skilling of the workforce to become future-ready. India's journey towards electric vehicle mobility has been riveting. The Electric Vehicle industry needs a skilled workforce. We are helping on Electric Vehicles so that students can learn the Industry Oriented Software like MATLAB -Simulink, Catia, Solidworks, Ansys & Autosar, etc. We are glad to invite the students of your college to attend the free Workshop on Electric Vehicles this month.

**Who can attend?**

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others. (From 1st to 6th Semester). For diploma, (From 1st to 8th Semester) For B.Tech students.

**KEY POINTS**

- Introduction to the Webinar on "How to build a career in the Electric Vehicle Industry"
- Designing and simulating Projects of TATA NEXON
- Software to be used is MATLAB, CATIA and SolidWorks
- Students with no prior exposure to Electric Vehicle can attend to improve their EV skills.

This includes Practical Knowledge experiences, two ways communication in which students can clear doubts in WORKSHOP ,Learning as well as implementing Real time projects.

# INDUSTRIES HELPING HANDS

To,  
The Training & Placement Department,  
SITYOG INSTITUTE OF TECHNOLOGY,

**Subject** – Proposal for the Free Workshop & Internship Opportunities on Electric Vehicles.

Respected Sir/Mam ,

Industries Helping Hands is India's trusted one-stop solution that connects companies, colleges, and candidates. We are building the community to revolutionize the Skilling of the workforce to become future-ready. India's journey towards electric vehicle mobility has been riveting. The Electric Vehicle industry needs a skilled workforce. We are helping the colleges and companies by conducting a **FREE ONLINE WORKSHOP** on Electric Vehicles so that students can learn the Industry Oriented Software like MATLAB -Simulink, Catia, Solidworks, Ansys & Autosar, etc. We are glad to invite the students of your college to attend the free Workshop on Electric Vehicles this month.

Following are the details of the Free Workshop on Electric Vehicles -

## Eligibility Criteria -

- **Eligible Courses** – For Graduation & Diploma Students.
- **Eligible Branches** - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others.
- **Eligible Qualification** – For Engineering, Students in the Second, third, and final year are eligible (From 3<sup>rd</sup> to 8<sup>th</sup> Semester). For diploma, students in the final year are eligible.
- **Non-Eligible Students** – Students in the First year and students of Computer Science and Information Technology are not eligible for this workshop.

*"Where you can find the hands, which are always ready for your help."*

# INDUSTRIES HELPING HANDS

We are helping the colleges to boost the placements of the core branches that's why the Computer Science and Information Technology branches are not eligible for this Workshop.

**Duration of the Workshop – 2 hours**

**Mode of the Workshop – Online Live Workshop**

**Fees of the Workshop –**

This workshop is absolutely free to the students of your college. We are not charging any fees for this Online one-day Electric Vehicle Workshop.

**Benefits of Free Electric Vehicle Workshop –**

- Students can mention the Electric Vehicle workshop on their CV.
- Opportunity to learn Industry oriented software like MATLAB, Catia, Ansys, Solidworks & Autosar.
- Experts from IIT & NIT will take the Workshop.
- From time to time, we will provide information on the internship opportunities also.

**How to register for this Free Electric Vehicle Workshop?**

Kindly share the Free registration form with the students of your college to attend this workshop.

Link - <https://forms.glc/wAJUYHb3qDGQisT46>

We believe in creating a placement community that helps each other and contributes to the growth of the College.

Thank- you

Kind Regards

## **ONE DAY ONLINE WORKSHOP**

**On**  
**E-waste Management & its Impact on**  
**Environment**

*on behalf of HMD Mobile India Private Limited*

**December 10, 2022**

*Workshop conducted by*  
Retek Envirotech Private Limited

*Name of the Organizer*  
Garbage Concern Welfare Society

*Workshop Facilitator/ Speaker*  
**Ms. SHRIYA PITRE**

*Organized By*  
Department of Mechanical Engineering  
SITYOG Institute of Technology,  
Aurangabad- Bihar- INDIA

### **Introduction:**

Online workshop is a part of initiative by HMD to create awareness among the young generation on e-waste. Ms. Shriya has been conducting the workshops on awareness on electronic waste in association with NGOs like Garbage Welfare Concern Society & Future Recyclers Foundation, Garbage Concern promote Sustainable Environment Management through focused Environmental Education. We believe that Environment Education empowers citizens to Proactive Environmental Commitment.

### **Who can attend?**

Faculty members, Students, Non-Teaching Staffs- Institutes/Universities/ Engineering Colleges approved by AICTE working in the departments of Mechanical Engineering/ Civil Engineering, Electrical Engineering, Computer Science Engineering, BBA, BCA Metallurgical, Materials science, Ceramic Engineering, Physics, Chemistry /Mathematics and other allied departments related to the mentioned area are eligible to attend the Workshop

### **OBJECTIVES:**

Students & teachers will gain knowledge on sources & types of e-waste: What is an e-waste? How is it generated?  
Impact on human & environmental health on irresponsible consumption & disposal of electronic waste: Can we practise responsible consumption?  
Safe & Environmentally friendly methods on segregation, storage, re-use, recycling &

Disposal of e-waste: Sustainable E-Waste - yes it's possible

Speaker will talk about responsible consumption which will help them to understand the life cycle of day-to-day electronic items like phones, computers, laptops, kitchen appliances etc. & the correct ways of recycling & disposal without harming the planet.

D. O. No. M.11014/03/2022-CDN

Dated: 11<sup>th</sup> November, 2022

Dear Sir/Madam,

As you are aware, 'Samvidhan Diwas (Constitution Day)' is celebrated every year on 26<sup>th</sup> November to commemorate the adoption of the Constitution of India as Jan Bhagidari and to honour and acknowledge the contribution of Founding Fathers of the Constitution. This year the Constitution Day is being celebrated on 26<sup>th</sup> November on the subject of "India-the Mother of Democracy/ भारत - लोकतंत्र की जननी". A copy of concept document prepared by Indian Council of Historical Research (ICHR) is enclosed.

2. In this context the following activities/programme may be carried out:

- I. Reading the Preamble on 26<sup>th</sup> November, 2022 (Online reading of Preamble to the Constitution in 22 Official Languages and English through: [readpreamble.nic.in](http://readpreamble.nic.in)) and participation in Online Quiz on "India-the Mother of Democracy/ भारत - लोकतंत्र की जननी" ([web portal: constitutionquiz.nic.in](http://web.portal:constitutionquiz.nic.in)).
- II. Webinars/programmes/ workshops may be organized befitting the occasion. Activities undertaken may be given wide publicity through Social Media/ Print Media by using #SamvidhanDiwas and #IndiaMotherOfDemocracy and report thereof may be uploaded on the portal [\[constitutionquiz.nic.in/MPAEvents/Login.aspx\]](http://constitutionquiz.nic.in/MPAEvents/Login.aspx)

3. I would request your support and leadership in encouraging all the universities/colleges including their faculty, staff and students for maximum participation and to carry out the aforesaid activities on 26<sup>th</sup> November, 2022.

4. I seek your personal intervention for ensuring the success of Constitution Day celebration.

With regards.

Encl: As above.

Yours sincerely,

  
(K. Sanjay Murthy)

D.O. No. 15/17/2022-Admn.

Date: 09 November, 2022

Dear Secretary,

As you are aware, the Samvidhan Diwas (Constitution Day) is celebrated every year on 26<sup>th</sup> November to commemorate the adoption of the Constitution of India as *Jan Bhagidari* and to honour and acknowledge the contribution of Founding Fathers of the Constitution. This year the Constitution Day is being celebrated on 26<sup>th</sup> November on the subject of "India- the Mother of Democracy / भारत - लोकतंत्र की जननी". A copy of concept document from Indian Council of Historical Research (ICHR), Ministry of Education, Govt. of India, is enclosed.

All Ministries / Departments are requested to participate in these celebrations on a mega scale with great fervor befitting the occasion. In this context, a program / list of activities may be finalized by your Ministry/Department *inter-alia* including the following:-

- Suitable instructions may kindly be issued to all offices / Attached Offices / Autonomous Bodies / Subordinate Offices / Organizations / Institutions etc. under your jurisdiction for reading the Preamble on 26<sup>th</sup> November, 2022 and participation in Online Quiz on " India -the Mother of Democracy / भारत लोकतंत्र की जननी " in run up to the event.
- Webinars / programmes / workshops may be organized befitting the occasion. Activities undertaken may be given wide publicity through Social Media / Print Media by using #SamvidhanDiwas and #IndiaMotherOfDemocracy and reports thereof may be uploaded on the portal (constitutionquiz.nic.in/MPAEvents/Login.aspx)

This Ministry has developed two web-portals which are accessible to everybody and anyone can participate and get certificates of participation :

- Online reading of Preamble to the Constitution in 22 Official Languages and English (readpreamble.nic.in);
- Online Quiz on India - the Mother of Democracy / भारत लोकतंत्र की जननी (constitutionquiz.nic.in).

All officers/ officials and other stakeholders may please be requested to have maximum participation with their families and friends on above portals.

Finally, I seek your cooperation for ensuring the success of Constitution Day celebrations.

With Regards,

Yours sincerely,

(Gudey Srinivas)

Department of Mechanical Engineering,  
National Institute of Technology, Patna, Bihar-INDIA.

Dear Mr. Kumar,

On Behalf of our management I would like to spread out my heartfelt thanks to you for your speech during the Seminar held at **SITYOG Institute of Technology on 21<sup>st</sup> March 2021**. Your opinions on "**Current Scenario of Energy Distribution**" have expanded our prospects in distribution of energy and it's saving. You absolutely deserve our gratitude and appreciation for such an admirable work.

We will surely take your words into exercise. You have enclosed all the important components Energy Distribution and motivated our students to think and innovate.

We know your time is precious and we are grateful you shared some of it with us. We look forward to your participation on future events.

Again, thank you, we hope to see you again soon.

With Warm Regards,

  
**Dr. Rajesh Kumar Singh**  
Secretary,  
SITYOG Institute of Technology,  
Aurangabad, Bihar, INDIA.

**Dear Mr. Kumar,**

On Behalf of our management I would like to spread out my heartfelt thanks to you for your speech during the Seminar held at **SITYOG Institute of Technology on 21<sup>st</sup> March 2021**. Your opinions on "**Current Scenario of Energy Distribution**" have expanded our prospects in use of and research on alternate energy sources so that we can give something to our future generation as engineers. You absolutely deserve our gratitude and appreciation for such an admirable work.

We will surely take your words into exercise. You have motivated our students to think for Higher education in this field.

We know your time is precious and we are grateful you shared some of it with us. We look forward to your participation on future events.

Again, thank you, we hope to see you again soon.

With Warm Regards,

**Dr. Rajesh Kumar Singh**
