

Internal Quality Assurance Cell

DVV Clarifications

5.1.2 Following capacity development and skills enhancement activities are organised for improving students' capability

1. Soft skills
2. Language and communication skills
3. Life skills (Yoga, physical fitness, health and hygiene)
4. ICT/computing skills

HEI Input: B. 3 of the above

DVV suggested Input: C. 2 of the above

Findings of DVV

HEI input changed as per proofs provided.

Response of HEI

As HEI Input is B. that is 3 of the above, Institute is submitting Session wise development and skills enhancement activities and proof is attached with it.

Date: 14/10/23.

To,
Dr. Arvind Kumar Sunil
Professor & Head,
Department of English,
Gaya College, Gaya- Bihar.

Dear Sir,

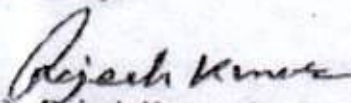

I hope this message finds you well. I wanted to express my heartfelt appreciation for the EXPERT LECTURE you delivered on **TEACHING TECHNICAL ENGLISH** on 14th day of October 2023. Your insightful and informative presentation left a lasting impact on both the faculty and students at our institution.

Your expertise in the field of technical English was evident throughout your lecture, and your ability to communicate complex ideas in a clear and understandable manner was truly impressive. The way you emphasized the importance of clear communication in the technical field and shared best practices for improving our teaching methods will undoubtedly benefit our students as they progress in their academic and professional careers.

We are grateful for your willingness to share your knowledge and experience with our institution. Your dedication to improving technical education through effective language instruction is commendable, and we look forward to any future opportunities to collaborate with you.

Once again, thank you for your exceptional lecture. We are fortunate to have had the opportunity to learn from an expert like you.

Sincerely,

Dr. Rajesh Kumar Singh

About the Institute
SITYOG Institute of Technology is an educational institution that specializes in providing undergraduate and Diploma education in various fields of engineering. We offer programs in disciplines such as civil engineering, mechanical engineering, electrical engineering, computer science and engineering, BBA, BCA and BA (J&MC)

Introduction:

The administration of a business includes the performance or management of business operations and decision-making, as well as the efficient organization of people and other resources to direct activities towards common goals and objectives. In general, “administration” refers to the broader management function, including the associated finance, personnel and MIS services.

Who can attend?

All Faculty Members & Staff
Eligible Branches – All Branches (B.Tech / Diploma / BBA / BCA / BA (J&MC))

Mission

The objectives of the Seminar are:

- Empower Indians to achieve their life goals through the prudent and informed management of their financial resources.
- Help instil in all Indians the commitment to save toward the realization of their financial goals and their future financial security.
- Assist consumers in understanding and actively participating management of their investment years.
- Better prepare all Indian retirement years.

ONE DAY ONLINE WORKSHOP

On

Electric Vehicle Design & Development

December 18, 2022

Workshop conducted by
INDUSTRIES HELPING HANDS

Workshop Speaker
Expert From IIT's & NIT's

Organized By
Department of Mechanical Engineering &
Department of Electrical Engineering
SITYOG Institute of Technology,
Aurangabad- Bihar- INDIA

Introduction:

Industries Helping Hands is India's trusted one-stop solution that connects companies, colleges, and candidates. We are building the community to revolutionize the Skilling of the workforce to become future-ready. India's journey towards electric vehicle mobility has been rveting. The Electric Vehicle industry needs a skilled workforce. We are helping on Electric Vehicles so that students can learn the Industry Oriented Software like **MATLAB -Simulink, Catia, Solidworks, Ansys & Autosar**, etc. We are glad to invite the students of your college to attend the free Workshop on Electric Vehicles this month.

Who can attend?

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others. (From 1st to 6th Semester). For diploma, (From 1st to 8th Semester) For B.Tech students.

KEY POINTS

- Introduction to the Webinar on "How to build a career in the Electric Vehicle Industry"
- Designing and simulating Projects of **TATA NEXON**
- Software to be used is **MATLAB, CATIA** and **SolidWorks**
- Students with no prior exposure to Electric Vehicle can attend to improve their EV skills.

This includes Practical Knowledge experiences, two ways communication in which students can clear doubts in **WORKSHOP**, learning as well as implementing Real time projects.

INDUSTRIES HELPING HANDS

To,
The Training & Placement Department,
SITYOG INSTITUTE OF TECHNOLOGY,

Subject – Proposal for the Free Workshop & Internship Opportunities on Electric Vehicles.

Respected Sir/Mam ,

Industries Helping Hands is India's trusted one-stop solution that connects companies, colleges, and candidates. We are building the community to revolutionize the Skilling of the workforce to become future-ready. India's journey towards electric vehicle mobility has been riveting. The Electric Vehicle industry needs a skilled workforce. We are helping the colleges and companies by conducting a **FREE ONLINE WORKSHOP** on Electric Vehicles so that students can learn the Industry Oriented Software like MATLAB -Simulink, Catia, Solidworks, Ansys & Autosar, etc. We are glad to invite the students of your college to attend the free Workshop on Electric Vehicles this month.

Following are the details of the Free Workshop on Electric Vehicles -

Eligibility Criteria -

- **Eligible Courses** – For Graduation & Diploma Students.
- **Eligible Branches** - Mechanical, Electrical, Electronics, Electrical & Electronics, Civil, Chemical, Automobile, Mechatronics & Others.
- **Eligible Qualification** – For Engineering, Students in the Second, third, and final year are eligible (From 3rd to 8th Semester). For diploma, students in the final year are eligible.
- **Non-Eligible Students** – Students in the First year and students of Computer Science and Information Technology are not eligible for this workshop.

Awareness Program- PROHIBITION OF LIQUOR

The organization of an "AWARENESS PROGRAM- PROHIBITION OF LIQUOR" celebration in a college can have several reasons, each depending on the context and goals of the institution. Here are some possible reasons:

Promoting a Healthy Lifestyle: Colleges often aim to promote a healthy and responsible lifestyle among their students. Organizing awareness programs on the prohibition of liquor can be a way to encourage students to make responsible choices regarding alcohol consumption.

Educating about the Risks of Alcohol Abuse: The celebration might include educational sessions or workshops to inform students about the potential risks and negative consequences associated with alcohol abuse. This could cover topics such as physical health, mental well-being, and the impact of alcohol on academic performance.

REPORT ON

HEALTH AND HYGIENE CAMPAIGN AT SITYOG INSTITUTE OF TECHNOLOGY

The Sityog Institute of Technology organizes a comprehensive Health and Hygiene Campaign every year. This initiative aimed to raise awareness among students, faculty, and staff about the importance of maintaining personal hygiene and overall health. The campaign included various activities such as workshops, health check-ups, and interactive sessions led by healthcare professionals.

The primary objectives of the Health and Hygiene Campaign were:

- To educate participants about the significance of personal hygiene in preventing diseases.
- To provide practical tips on maintaining hygiene in daily life.
- To conduct basic health check-ups for early detection of potential health issues.
- To encourage a culture of cleanliness and health consciousness within the institute.

The campaign featured several **workshops and seminars** conducted by experts in the fields of healthcare and personal hygiene. Topics covered included:

Health Check-ups

A team of healthcare professionals conducted basic health check-ups, including:

- Blood pressure measurement
- Blood sugar level testing
- Body Mass Index (BMI) calculation
- General physical examinations

Interactive Sessions

Interactive sessions were held to engage students and staff in discussions about health and hygiene. These sessions included:

- Question and Answer rounds with healthcare professionals
- Sharing personal experiences related to health and hygiene
- Group discussions on ways to improve hygiene practices within the campus

REPORT ON

YOGA WORKSHOP AT SITYOG INSTITUTE OF TECHNOLOGY

The SITYOG Institute of Technology organised **Yoga Workshop on 21.06.2023 to 24.06.2023** and every year which aimed at promoting physical and mental well-being among students, faculty, and staff. The workshop was part of the institute's initiative to integrate wellness practices into the campus culture. Renowned yoga instructors were invited to conduct the sessions, providing participants with an immersive experience into the world of yoga.

Objectives

The primary objectives of the Yoga Workshop were:

- To introduce the fundamentals of yoga and its benefits.
- To teach practical yoga techniques for improving physical health and mental clarity.
- To encourage regular practice of yoga among the institute's community.
- To create an environment that supports overall wellness and stress reduction.

Activities Conducted

1. Introduction to Yoga

The workshop began with an introductory session that covered:

- History and Philosophy of Yoga: An overview of the origins of yoga, its evolution, and its philosophical underpinnings.
- Benefits of Yoga: Discussion on the physical, mental, and emotional benefits of regular yoga practice.

2. Yoga Asanas (Postures)

Daily sessions focused on teaching various yoga postures:

- Basic Postures: Instructions on foundational poses such as Tadasana (Mountain Pose), Vrikshasana (Tree Pose), and Adho Mukha Svanasana (Downward-Facing Dog).
- Intermediate Postures: Guidance on more challenging poses like Trikonasana (Triangle Pose), Virabhadrasana (Warrior Pose), and Setu Bandhasana (Bridge Pose).
- Posture Correction: Personalized assistance to ensure correct alignment and posture.

3. Pranayama (Breathing Exercises)

Participants were introduced to various breathing techniques:

- Anulom Vilom (Alternate Nostril Breathing): A technique to balance the body's energy and calm the mind.
- Kapalbhati (Skull Shining Breath): A vigorous breathing exercise to detoxify and invigorate the body.

- Bhramari (Bee Breath): A calming practice to reduce stress and anxiety.

4. Meditation and Relaxation

Sessions on meditation and relaxation included:

- Guided Meditation: Techniques to enhance concentration and mental clarity.
- Yoga Nidra (Yogic Sleep): A deep relaxation practice to reduce stress and promote restorative sleep.
- Mindfulness Exercises: Practices to increase awareness and presence in daily activities.

5. Health and Wellness Talks

Guest speakers provided insights on holistic health:

- Nutrition and Yoga: The role of a balanced diet in enhancing the benefits of yoga.
- Mental Health Awareness: Strategies for maintaining mental well-being through yoga and meditation.
- Integrating Yoga into Daily Life: Tips for incorporating yoga practices into a busy schedule.

Participation and Response

The Yoga Workshop saw enthusiastic participation from over 200 students, faculty, and staff members. The interactive nature of the sessions encouraged active involvement, and the feedback collected indicated a high level of satisfaction. Many participants expressed interest in continuing their yoga practice beyond the workshop.

Outcomes

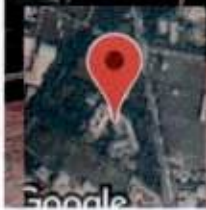

The workshop successfully achieved its objectives:

- Increased Awareness: Participants gained a deeper understanding of yoga and its benefits.
- Improved Skills: Attendees learned practical yoga techniques that they can incorporate into their daily routines.
- Positive Feedback: The majority of participants reported feeling more relaxed, focused, and motivated to maintain their yoga practice.
- Community Building: The workshop fostered a sense of community and shared purpose among participants.

Conclusion

The Yoga Workshop at SITYOG INSTITUTE OF TECHNOLOGY was a resounding success. It provided a comprehensive introduction to yoga, emphasizing its importance for physical and mental well-being. The positive response and engagement from participants underscore the value of such wellness initiatives.

TWO DAYS ONLINE WORKSHOP

**On
Data Science using Python
Program**

**From
Sept 14, 2023
To**

Sept 15, 2023

Time: 12:00 PM – 01:00 PM

Seminar conducted by

Speaker
Dr. Rakesh Roshan
Assistant Professor
Department of Computer Science
Anurag University, Hyderabad

Organized By
**Department of Computer Science and
Engineering**

Introduction:

Data science is the study of data to find insights that can help businesses make decisions. It's a multidisciplinary field that combines mathematics, statistics, artificial intelligence, and computer engineering. Data science uses scientific methods, processes, algorithms, and systems to extract knowledge from structured and unstructured data.

This data science with Python tutorial will help you learn the basics of Python along with different steps of data science according to the need of 2023 such as data preprocessing, data visualization, statistics, making machine learning models, and much more with the help of detailed and well-explained examples.

Who can attend?

Eligible Courses – For Graduation & Diploma Students.

Eligible Branches – Computer Science, Mechanical, Electrical, Electronics, Electrical & Electronics, Civil & Others. (B.Tech All Semesters), Diploma and BCA (Semester 1 to 6).

Mission

To create an holistic approach to a higher Quality of Life through multi-faceted tools of PYTHON for DATA SCIENCE with ONE PHILOSOPHY. To achieve this in the shortest time frame by practicing an 'inclusive philosophy', which would attract 'Best Minds' to gravitate towards 'Global Excellence', with a view to realize its momentous dream!

Subject: Invitation to Career Counselling Program - Important Session on Stress Management.

Dear Ma'am,

I hope this letter finds you in good health and high spirits. It is with great pleasure and anticipation that I write to extend an invitation to you for our upcoming Career Counselling Program, specifically for a pivotal session on Stress Management. The event is scheduled to take place on **17.08.2022** at **Seminar Hall** and we believe your esteemed presence would greatly enrich the program. The Career Counselling Program aims to provide valuable insights and guidance to individuals seeking to enhance their career prospects. We believe your proficiency in this area will greatly enrich the learning experience for our attendees.

We have been following your outstanding work and contributions in the field and we believe that your insights and expertise would greatly enrich our program and inspire our audience.

Thanking You.
