## NOTICE

### Mandatory Enrolment in NPTEL 12-Week Courses

All B. Tech and Diploma students are hereby informed that, in accordance with the academic and skill development initiatives of the Institute, it is **mandatory for every student to enrol in at least one NPTEL 12-week course during each semester** of their programme.

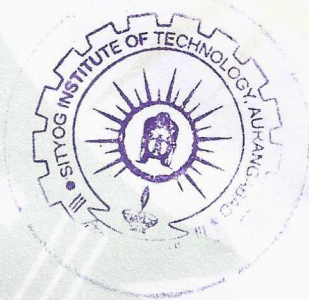

The objective of this initiative is to enhance students' technical knowledge, professional competencies, and industry readiness through courses offered by the National Programme on Technology Enhanced Learning (NPTEL).

Students are required to:

1. Enrol in a minimum of one NPTEL 12-week course in every semester.
2. Select a course relevant to their branch of study or area of professional interest.
3. Complete the enrolment process within the prescribed timeline.
4. Actively participate in the course and strive to complete all assignments and examinations.

Students are advised to treat this requirement with utmost seriousness. Failure to enrol in the prescribed NPTEL course may be considered non-compliance with academic requirements and may be reflected in institutional academic records and performance reviews.

For any assistance regarding course selection or enrolment, students may contact their respective Departmental NPTEL Coordinator.
